Class Quiz

250 questions for ages 5 to 12

Score, place, winning, countries, and sports stars.

Name _____ **Class** _____ **Date** _____

How to use this bank

1. This is the full set of 250 questions. A class does not sit all of them at once.
2. Pick 10 questions for a quick quiz, or 25 for a longer one. On the website, play Quick 10 or Mega 25.
3. Read a question aloud, or let the children read it. Circle one letter: A, B, C, or D.
4. There is one right answer. The answer key is at the back, on its own pages. Keep those pages for the teacher.

What is inside

1–50 How do you score?
What counts as a point, a goal, or a score.

51–100 Where do people take part?
The place where the sport happens.
